OUR STORY

Susquehanna Glass Company has been a world-leading glass decorating company since 1910. Headquartered in Columbia, Pennsylvania, we are a third-generation, family-owned business built on a tradition of craftsmanship and we are dedicated to crafting high-quality, personalized gifts that celebrate and strengthen relationships. We partner with companies to enhance their brand awareness and to create the perfect gift for their customers.

WHY CHOOSE US

At Susquehanna Glass Company we use time-honored techniques to craft delightful, thoughtful gifts that celebrate the individual while being a force for good in our community. We offer sand & laser etching, and color screening for companies like yourself to ensure the best and highest quality on your products. We specialize in high volume programs, working with large retailers, producing private label and national brand products. We have direct vendor ship and drop ship directly to consumer capabilities while processing orders via EDI or manually importing CSV files.

Terms

Terms are a credit card. This is required to begin production. By providing a credit card your authorization will remain in effect until you cancel it in writing, and you agree to notify Susquehanna Glass Company in writing with any changes in your account information or termination of the authorization at least 30 days prior to the next billing date.

Overages / Underages

Some items must be ordered in even case packs. Every effort will be made to ship exact quantities. A 5% over or under quantity order is considered acceptable.

Shortages / Breakage

All shortages and/or breakage of merchandise must be reported to us within 15 days of the invoice date for credit or replacements.

Production Time

Please allow 14 business days from date of receipt of order or customer written approval on new artwork. Lead time for silkscreened product is 3-4 weeks. Quantities above 5000 may require longer. Allow extra time for shipping during holiday seasons.

RUSH DELIVERY: 6-10 working days

This will incur a 10% surcharge of total invoice. Five working days or less will incur a 25% surcharge of total invoice.

Glass Quality

Slight variations and tiny imperfections in glassware are not considered flaws. These conditions are within acceptable industry standards.

Artwork

We will size the artwork to the maximum imprinting area for the specified piece. Please provide VECTOR art saved as: Illustrator (.ai), .EPS, or .PDF. Artwork should use PC formatted fonts or all text should be converted to outlines and should be compatible with Adobe Illustrator Version CS6 or lower on a PC. In event that camera-ready artwork is not available, artwork can be converted for production for a nominal fee - pending customer approval.

Art Charges

Color Screen: \$40.00 per color per logo, initial order.

Reorders for the same item, same copy and size incur no additional screen charges within two years of original order. If same imprint is desired on a different size item, a conversion charge of \$10.00 may apply. Additional art charges may apply if artwork is not suitable for production.

Colors

Pantone Matching System colors are used as a reference. We cannot guarantee exact PMS color matches, but we come as close as possible using blends from our color library. All items are imprinted with organic inks by direct screen process and fired at low temperatures, fusing the imprint onto the glass.

F.O.B.

All ware is priced F.O.B. Columbia, Pennsylvania.

Pre Production-Samples

Color Screen: \$80.00 per color plus cost of item.

Deep Etch: \$40.00 set up fee plus cost of item.

Production time for samples will be quoted upon approval of the artwork.
